IN REPLY REFER TO

HDA-CA

Document #: S45271

Mr. Tony Harris, Acting Director
California Department of Transportation
1120 N Street
Sacramento, CA 95814

Attention: Office of State Landscape Architecture, MS-28
For Dennis Cadd (State Scenic Highway Coordinator)

Dear Mr. Harris:

SUBJECT: Scenic Byways FY-2004 Project Programming

The Federal Highway Administration (FHWA) has made a partial selection of FY 2004 discretionary project grants for the National Scenic Byways Program under the Surface Transportation Extension Act of 2004 (STEA04).

The selection of three National Scenic Byway projects for California, total cost including matching share and associated Metropolitan Planning Organization (MPO) are as follows:

1. Volcanic Legacy Byway – Corridor Management Plan Implementation, Year 2, \$32,838 (Siskiyou County)
2. Route 1, Big Sur Coast Highway – Corridor Management Plan Implementation, Year 2, \$30,750 (AMBAG)
3. Route 110, Arroyo Seco Historic Parkway – Corridor Management Plan Implementation, Year 1, \$31,900 (SCAG)

The metropolitan and statewide planning requirements of 23 USC 134 and 135 apply to Scenic Byways projects. Byway projects must be consistent with statewide and applicable metropolitan long-range transportation plans. Furthermore, they must be included within the Federal Statewide Transportation Improvement Program (FSTIP) and applicable MPO Federal Transportation Improvement Program (FTIP).

Please work with each identified MPO to program their project(s) in their respective TIPs as necessary, and coordinate the required actions to incorporate the applicable Scenic Byways project information into California's FSTIP. Please notify the California Division of any funds that cannot be obligated no later than July 30, 2004.

If you have any questions, please contact Brian Zewe, FHWA Planning Engineer at (916) 498-5348.

Sincerely,

/s/ Mayela Sosa

For
Gene K. Fong
Division Administrator
